

Spring Clean-up Day

Saturday, May 8, 2010

7:00 a.m.—1:00 p.m.

3150 Lander Avenue NE

St. Michael, MN

Spring is just around the corner and it's time to cleanout the house and garage of unwanted items. Residents of both the Cities of Albertville and St. Michael will once again have an opportunity to dispose of these items at the joint Annual Spring Clean-up Day.

Please make your own arrangements for hauling unwanted items to the clean-up site. Staff encourages residents to sort your loads ahead of time into groups for metal, appliances, electronics, tires, used oil, and other garbage.

Albertville and St. Michael residents only will be allowed to dump. Staff recommends residents to be prepared to show proof of residence; otherwise they will be turned away. No contractors.

To find out more information about charges for items visit the City's website at: www.ci.albertville.mn.us or contact Albertville City Hall at 763-497-3384. As usual **NO HAZARDOUS MATERIALS** or pressurized tanks will be accepted. This includes paint, stains, asbestos, etc. If the item is liquid, we will not accept it.

2010 Price List ****		2010 Price List ****		2010 Price List ****		2010 Price List ****
