

Mayor Klecker announces Spring Town Hall Meeting

Residents are invited Saturday, April 10th at 8:30 a.m. to a Town Hall Meeting whereby the City will share information on what's happening in our community. A light breakfast with coffee, juice and rolls will be served providing an opportunity for residents to connect with the council and staff. All of the departments will have tables and displays with staff available to answer questions and hear concerns. Also attending will be FYCC and STMA Arena on the City's recreational programs; Crow River Senior Center on exciting things for seniors and the Wright County Sheriff's Department. Come and learn about the I-94 Ramp project, new library, recreational programs, or how you can save \$60 a year receiving and paying your utility bill electronically. Mayor Klecker stated he is excited about this event and hopes that if nothing else; residents come hungry and have a hot roll!
