Trails

Committee is in favor of extending the trail along the south side of Co. Rd. 18 near the STMA high school. City will seek cooperation from St. Michael about it helping to complete the extension from the Albertville city border to the school.

Snowmobile trails

Committee discussed possibility of having a meeting in the fall at the high school and junior high to stress the importance of staying on trails and talk about laws and safety. This would be led by the Foxtailers snowmobile club, perhaps with Wright County Sheriff's office and/or MnDNR.

Next meeting: April 22, 8:00
