DRAFT MINUTES

ALBERTVILLE CITY HALL

7:00 PM

1. CALL TO ORDER - PLEDGE OF ALLEGIANCE

Mayor Hendrickson called the meeting to order at 7:04 p.m.

2. ROLL CALL

Present: Mayor Hendrickson and Council members Cocking, Hudson, and Vetsch

Absent: Council member Rob Olson

Staff Present: City Administrator-PWD Adam Nafstad, City Attorney Mike Couri, City Planner Alan Brixius, Fire Chief Eric Bullen, Finance Director Tina Lannes, and City Clerk Kimberly Hodena

Others Present: Representative Eric Lucero, Sergeant Ben Schaap

3. RECOGNITIONS – PRESENTATIONS – INTRODUCTIONS

A. Legislative Recap – Representative Eric Lucero

Hendrickson thanked Representative Lucero for his work on co-authoring the bill that provided Albertville with \$2 million in funds for the Wastewater Treatment Plant (WWTP) improvements.

Lucero provided a summary of legislative action taken this session. He felt it was a successful session except that the tax conformity bill did not get approved. He stated that hundreds of hours have been spent on Corridors of Commerce funding and he is excited to see the three lane expansion of I-94 into Albertville. He stated his frustration with regulatory mandates that greatly impact the cost to taxpayers and that is why he co-authored the bill for the WWTP funding.

Lucero reported that the student data privacy legislation did not move forward.

Hendrickson inquired about the total amount dedicated to the Corridors of Commerce projects and Nafstad replied it was \$400 million. Lucero stated it has been a huge year in terms of transportation.

Hudson inquired about the recent movement of voting for super omnibus bills that include everything rather than bills specific to certain projects. Lucero replied that it is a much divided legislature and some feel it is easier to get votes that way. However, he felt it reduces

accountability. Hudson would like to see measures put in place that would require votes earlier in the session rather than waiting until the last minute.

The Council thanked Lucero for his work and especially for his efforts for the funding for the WWTP improvements. Nafstad also thanked him for the ease in which it is to get ahold of him.

4. PUBLIC FORUM

There was no one present for the forum.

5. AMENDMENTS TO THE AGENDA

Nafstad added STMA Ice Arena Screening as item F1 under Planning and Zoning.

Motioned by Hudson, seconded by Cocking, to approve the Agenda as amended. Ayes: Hendrickson, Cocking, Hudson, and Vetsch. Nays: None. Absent: Olson. MOTION DECLARED CARRIED.

6. CONSENT AGENDA

All items under the Consent Agenda are considered to be routine by the City staff and will be enacted by one motion. A. City Council

1). Committee Updates

There were no committee updates.

B. Planning/Zoning – None

STMA Ice Arena Second Sheet Roof Screening

Nafstad reported that as part of the construction of the second sheet of ice, the equipment on the roof is required to be screened from view by City Code. This is required for all new commercial buildings. The school district's architect has asked if they can forego that requirement on the east side of the building due to costs associated with it. Cocking inquired if the screening also reduced the noise of the rooftop equipment and Nafstad replied it did not. Nafstad offered painting the rooftop equipment as a possible solution.

Vetsch stated that when the Joint Powers Water building was constructed, the same concerns were raised; but the City requested that the equipment be screened. He did not feel it would be fair to require it for one and not the other. Brixius offered two options: paint the equipment the color of the building or stick with the original plans as submitted. Cocking felt it is not appropriate to exempt the project from the city's own building regulations, especially being a partial owner of the facility.

Couri reported with variances, financial hardship is not a reason to grant a variance. The hardship should be unique to the property itself and not be financial in nature.

Council directed staff not to waive the screening requirement.

C. Fire – None

D. Finance – None

E. City Clerk – None

F. Public Works/Engineering – None

G. Building – None

H. Legal – None

I. Administration

1). Centennial Celebration – Discussion

Nafstad reported that planning for the centennial celebration should begin as early as possible and he wanted to get Council feedback on planning for the centennial as well as the types of events that could go along with the celebration. He stated that as they begin the 2019 budget discussions, they will need to determine budget amounts.

Council directed staff seek input from the Parks Committee as the group represents many different areas of the community.

Nafstad briefly discussed timing of the celebration as well as a commemorative art piece.

Council referred the centennial discussion to the Parks Committee to discuss at their next meeting.

2). City Administrator's Update

Nafstad reported the Depot is nearly finished and the Lions are hoping to use it shortly after Friendly City Days. He reported that rental of the depot will slowly be rolled out as they figure out details and policy.

June 14, 2018

SUBJECT: CONSENT - FINANCE – PAYMENT OF BILLS

RECOMMENDATION: It is respectfully requested that the Mayor and Council consider the following:

MOTION TO: Authorize the Monday, June 18, 2018 payment of the claims as presented except the bills specifically pulled, which are passed by separate motion. The claims listing has been provided to Council as a separate document. The claims listing is available for public viewing at City Hall upon request.

BACKGROUND: The City processes claims on a semi-monthly basis. The bills are approved through their respective departments and administration and passed onto the City Council for approval.

KEY ISSUES:

- **Account codes starting with 810 are STMA Arena Expenses/Vendors (bolded) and key issues will be presented in the claims listing document.**

POLICY/PRACTICES CONSIDERATIONS: It is the City's policy to review and approve payables on a semi-monthly basis.

FINANCIAL CONSIDERATIONS: City staff has reviewed and recommends approval of payments presented.

LEGAL CONSIDERATIONS: The Mayor and Council have the authority to approve all bills pursuant to Minnesota State Law, which requires all bills to be paid in a timely manner, generally within 30 days unless one party determines to dispute the billing.

Responsible Person: Tina Lannes, Finance Director

Mayor and Council Request for Action

June 14, 2018

SUBJECT: CONSENT – CLERK – NEW MASSAGE ENTERPRISE LICENSE FOR ST. MICHAEL MASSAGE AND BODYWORK LOCATED AT 10904 57TH STREET NE, SUITE 109

RECOMMENDATION: It is respectfully requested that the Mayor and City Council consider the following:

MOTION TO: Approve a Therapeutic Massage Enterprise License for St. Michael Massage, located at 10904 57th Street NE, Suite 109, to provide massage therapeutic services contingent upon inspection and approval of the Building Official, payment of license fees, and proof of liability insurance.

BACKGROUND: The applicants: Rose Thunder, Rebecca Dallin and Cari Smiley, have applied for a Therapeutic Massage Enterprise License for their business, St. Michael Massage and Bodywork, located at 10904 57th Street NE, Suite 109. This space is located in the Parkside Commercial Center. The business is relocating from their current location in St. Michael.

City Code requires each business that offers massage therapy to obtain a yearly Therapeutic Massage Enterprise License. There must be an original investigation of the business owner and inspection of the property before issuance of the license. In addition to the enterprise license, each individual practicing massage therapy at the enterprise must obtain a yearly Individual Massage Therapy License. The applicants will be persons performing massage at the location and have submitted the appropriate license applications and fees.

KEY ISSUES:

- The applicants have submitted a complete application and have been made aware of the required fees, insurance requirements, and inspection.
- Staff has submitted the applicants' background investigation to the MN BCA as well as Wright County Sheriff's Office and is waiting for the results.
- The location is compliant with fire code and building as required by the City Code. The Building Department also requires a tenant occupancy permit.

POLICY/PRACTICES CONSIDERATIONS: The Mayor and City Council have the authority to approve or deny any application for a city-regulated business.

FINANCIAL CONSIDERATIONS: The fee for a Therapeutic Massage Enterprise License covers both administrative, inspection, and background costs.

Responsible Person/Title: Kimberly A. Hodena, City Clerk

Mayor and Council Request for Action

June 14, 2018

SUBJECT: FIRE DEPARTMENT- PURCHASE OF 2 PORTABLE RADIOS

RECOMMENDATION: It is respectfully requested that the Mayor and City Council consider the following:

MOTION TO: Authorize the purchase of 2 portable radios for the Fire Department.

BACKGROUND: The Fire Department's portable radios are part of a planned rotation of equipment and budgeted in the Fire Department's capital plan.

To coincide with the FEMA Assistance to Firefighters Grant application, which requested 20 portable radios, the Fire Department also requested 2 additional portable radios from the 2018 Wright County Area United Way Grant program. The two portable radios requested from the 2018 Wright County Area United Way Grant program are for the two driving positions in Engine 11 and Ladder 11 and are not allowed for request from the FEMA AFG grant program.

The grant request to cover the equipment cost of the portable radios was \$5,780.88.

The Fire Department recently received notification from the Wright County Area United Way that they were graciously awarded a partial grant of \$2500.00 to assist in covering the cost of the two portable radios.

The total cost of the portable radio purchase, with radio programming, is \$6,392.88. With the \$2500.00 in grant money, the remaining cost to the Fire Department of \$3,892.88 will be paid as a planned purchase and will come from the Fire Department's capital budget.

Staff is recommending approval of the purchase of 2 portable radios for the Fire Department.

KEY ISSUES:

- The Fire Department Board of Officers has reviewed the purchase and is recommending Council action.
- \$2,500 of the purchase will be covered by a grant from the Wright County Area United Way.
- The remaining \$3,892.88 will come from the Fire Department's capital budget.
- The purchase of the portable radios is a planned replacement and part of the capital plan of the Fire Department.

POLICY CONSIDERATIONS: It is City policy for the Council to review and approve all capital purchases and investments.

FINANCIAL CONSIDERATIONS: The cost associated with the portable radios will be partially funded through a grant from the Wright County Area United Way, with the remaining balance coming as a planned purchase and part of the Fire Department's capital budget.

LEGAL CONSIDERATIONS: The City has the authority to purchase equipment under the State of Minnesota contract or by quotes.

SUBJECT: CONSENT – COTTAGES OF ALBERTVILLE ASSIGNMENTS

RECOMMENDATION: It is respectfully requested that the Mayor and City Council consider the following motion:

MOTION TO: Approve Resolution 2018-016 Approving Assignments of Tax Increment Financing and Regulatory Agreement in Connection with Cottages of Albertville.

BACKGROUND: The City has been notified that the current owner of the Cottage of Albertville, REE Cottages of Albertville LLC (the “Seller”), intends to sell the facility to Kalland Avenue Properties, LLC (the “Buyer”), and the Seller has requested that the City consent to an assignment of the Contract for Private Development and the TIF Note by the Seller to the Buyer, an assignment of the Regulatory Agreement that governs the use of the facility by the Seller to the Buyer, and a collateral assignment of the Contract and TIF Note by the Buyer to the lender providing the financing to the Buyer. Under the original Contract, the City agreed that it would consent to such assignments if required by the lender, so City Development Counsel (Kennedy & Graven) recommends approval of these documents as required under the Contract.

KEY ISSUES:

- The Council has previously approved substantially similar assignments of the Contract for Private Development, the TIF Note, and the Regulatory Agreement in connection with the sale of the facility from the original developer to the Seller in December of 2016.
- There is no basis on which to deny these assignments in connection with this sale.

CONSENT OF THE CITY OF ALBERTVILLE, MINNESOTA

The CITY OF ALBERTVILLE (“City”) acknowledges that it has reviewed the Assignment, Pledge and Security Agreement of Tax Increment Financing (“Assignment”) entered into by and between KALLAND AVENUE PROPERTIES, LLC, a Minnesota limited liability company (“Borrower”), and AMERICAN HERITAGE NATIONAL BANK, a national banking association (“Lender”) dated June ___, 2018, and consents to the endorsement of the TIF Note (as defined in the Assignment), to the assignment of the Collateral (as defined in the Assignment), and to Borrower’s mortgage of the Property (as defined in the Development Agreement) to Lender, its successors and/or assigns, and to the pursuit of all of Lender’s remedies in connection therewith. Payments under the Note (as defined in the Development Agreement) shall continue to be made to Borrower, until Lender gives notice to City that payments under the Note shall be paid to Lender. Upon receipt of such notice, payments under the Note shall be made to Lender. All terms used herein not otherwise defined shall have the meanings set forth in the Assignment and the Loan Documents described therein.

City further covenants, represents and warrants to and agrees with Lender as follows:

1. That it has received good and valuable consideration for the TIF Note and the Development Agreement.
2. That the unpaid principal balance due on the TIF Note as of the date hereof is \$263,300, and no defaults or events of default exist under the terms of said TIF Note or the Development Agreement.
3. The Minimum Improvements, as defined in the Development Agreement, have been fully constructed in accordance with the Development Agreement.
4. The Borrower is in compliance with the terms of the Development Agreement, and the Development Agreement and the TIF Note remain in full force and effect.
5. There are no defenses, setoffs or counterclaims against or with regard to the TIF Note or the Development Agreement or the indebtedness evidenced thereby. The TIF Note and the Development Agreement constitute all of the documents entered into by the undersigned in connection with the TIF Note and have not been amended or modified except as described in the Assignment and are valid and enforceable obligations of City in accordance with their terms.
6. City hereby agrees that should Lender obtain the appointment of a receiver or become the owner of the Property, or otherwise enforce its rights under the Loan Documents, Lender shall not be obligated to perform the terms and conditions of the Development Agreement; provided, however, that performance of the terms and conditions thereof

shall be a condition to City's payment of tax increment under the TIF Note to Lender under the terms and provisions hereof.

7. In addition to providing the Borrower notice of default under the Development Agreement, the City agrees to provide Lender, its successors and assigns, with copies of any notice of default given under the Development Agreement and that Lender, its successors and assigns, shall have the right but not the obligation to cure any such default on behalf of the Borrower within the time specified in the Development Agreement, provided that should possession of the Property be necessary in order to cure such default, such time shall include a reasonable amount of time for Lender to obtain possession of the Property and to cure such default. Should an Event of Default occur under the Development Agreement, such that the City has the right to cancel, terminate or rescind the TIF Note and the Development Agreement or the TIF Note and Development Agreement are cancelled, terminated or rescinded for any other reason, the City shall upon request of Lender honor the TIF Note and the Development Agreement as a direct obligation to Lender, its successors or assigns, for the remaining unpaid principal balance thereof, provided that Lender has cured the Event of Default under the Development Agreement except Events of Default resulting from a bankruptcy filing by the Borrower or foreclosure of the Security Instrument.
8. Provided all other provisions of the Development Agreement which are conditions to payment under the TIF Note are satisfied, the Development Agreement and the obligations of the City under the TIF Note shall not be relieved, hindered or restricted in any manner by reason of the foreclosure of the Security Instrument or any other remedies which Lender may pursue under the Note or other Loan Documents, including the transfer of the Project to or by Lender, its successors and assigns.
9. The undersigned understands and agrees that this Consent of the City of Albertville ("Consent") is executed and delivered in order to induce Lender to make the Loan (as described in the Assignment) and but for this Consent Lender would not make the Loan.

WHEREAS, under the provisions contained in Minnesota Laws of 2018, Chapter 214, Article 1, Section 22, Subd. #5, the 2018 Legislature appropriated \$2,000,000 for a one-time grant to the City of Albertville (Name of Grantee) to design and construct wastewater infrastructure improvements (Project Description); and

WHEREAS, to receive this money, the Grantee must submit required information and enter into a Grant Agreement with the Minnesota Public Facilities Authority; and

GENERAL ADMINISTRATION

Depot Project: The Depot project is complete and looks great. The Lions had the Depot open today for a music performance during the farmers market.

Centennial Celebration: I will be meeting with the Parks Committee at the end of the month to discuss planning for the events.

July 2 Meeting: This meeting has been cancelled. We will plan for a workshop meeting and regular meeting for July 16. Topics will include fire capital and budget.

Park Property Acquisitions: We have prepared draft purchase agreements and are in discussion the two property owners.

Conduit Financing: We are working with Kennedy and Graven on a possible opportunity to provide conduit debt for a project in Buffalo. Albertville has no plans to utilize its bonding authority in 2018 and conduit financing would provide the city with a one-time revenue source.

\$2,000,000 Appropriation: Included on the agenda is a resolution needed by the State to be included with the application for Albertville's grant funding from the 2018 state bonding bill.

ENGINEERING/PUBLIC WORKS

70th Street (west of CSAH19): Staff from Albertville and Otsego are working with MnRoad to see if there is a possibility to partner on a project to improve the 1 mile segment of 70th between Kadler and CASH 19.

2019 WWTP Improvements: Preliminary design is nearing completion and we continue to work to negotiate the needed easements between CR 39 and the Mississippi.

Mapping: We are in the process of updating the City's infrastructure maps. 2018 maps should be available soon.

CSAH 19 and 70th Street: The County is progressing with the preliminary design of CSAH 19 and CSAH 38, which is scheduled for construction in 2019. Next week I will be meeting with the Outlet Mall to review options for intersection improvements and the County will be holding the first open house in July.

Westwind Park Improvements: Bids were opened on June 13 and are on the agenda to award. We are still working on quotes for the shelter and boardwalk.

Karston Cove 5th Addition: The City has received the development application for final plat for Karston Cove 5th Addition and will be presented to Council in July.

Towne Lakes Trails: It is anticipated the contractor will be able to complete paving of the trails in Towne Lakes next week.

MS4: As a requirement of the City's NPDES permit, the City needs to hold an MS4 stormwater meeting prior to June 30 of each year. This will be the City's first stormwater meeting and will generally consist of a brief educational stormwater presentation and Q&A. We will be sending out public notice later this month and holding the meeting the last week of June.
