

OUTDOOR STORAGE

All equipment and materials for residential uses must be stored within a building or fully screened so as not to be visible from neighboring properties.

Exceptions are:

- Clotheslines (poles and wire)
- Lawn furniture (designed for outdoor use)
- Trash receptacles and recycling bins (may be located in a side or rear yard but must be screened from adjacent properties)
- Firewood (must be stored in a side or rear yard)
- Construction and landscaping materials currently being used on the premises

City Code 1000.15

RECREATIONAL VEHICLE PARKING

Up to two recreational vehicles may be stored on residential properties. Recreational vehicles include motor homes, boats, enclosed trailers, campers, and snowmobiles or ATVs on trailers.

Vehicles and trailers may be parked in the driveway, but must be located at least 15 feet from the street and cannot block the public sidewalk.

Storage in a side yard between homes must be at least 2 feet from the property line. The storage area must be surfaced with asphalt, concrete, or crushed rock with a border that prevents erosion.

Storage in a rear yard must be at least 5 feet from the rear and side property lines if not on a paved surface.
